Mr. Highet,

Recently, we filed a large spreadsheet with the US Patent Office to change the correspondence address for various patents and applications we have prosecution. Unfortunately, a reissue matter that you are currently handling was inadvertently included in our list.

In order to ensure that the mail is directly forwarded to your office, I am attaching two documents for faxing to the U.S. Patent Office. Please insert your name and registration number in the letter, sign and fax to the US Patent Office. I will forward the spreadsheet electronically upon confirmation from you. Once the email is sent, the matter will immediately be transferred back to your attention.

I personally apologize for any inconvenience this may have caused you.

Thank you.
